Year 2 Sportshall Athletics

Some of the Year 2 children took part in an athletics event, these are some of their comments:-

"Before I went I was nervous but when I got there it was really fun!" - Daisy

"It was exciting, the long jump was really fun!" - Sam

"I liked working together with my team and that we could all take part together" - Connor (Captain)

Year 6 Sports Leaders

On Thursday the Year 6 Sports Leaders assisted at the Year 1 & 2 Athletics Tournament by running the activities. 13 schools participated. Our activities were bowling and running, where we taught the children appropriate techniques and kept score. Coaching the children in new skills was rewarding but hard work. By Edward Rushton.

This is the first time our sports leaders have supported an external event and we are very proud of them - staff from other schools commented on how great they were too! Well done!

Swimming Pool Site

Following the recent survey sent out to parents to canvass opinion on potential uses of the pool site, these have been combined with the feedback received from teachers and the views of the pupils.

The school will use these as the starting point for conversation with external contractors to progress and get a better understanding of the costs involved.
