## Harvest

The charity we have chosen for Harvest this year is **Porchlight** Changing attitudes • Changing lives, which is a homeless charity based in Kent. This will provide the children with a great opportunity to think about those less fortunate than themselves and who may not have a home to go to.

Each class will receive an envelope to decorate as imaginatively as they would like and fill with donations brought into school throughout the coming week.

More info on Porchlight can be found at <http://www.porchlight.org.uk/>

## Medicines In School

You should already be aware of our school policy on 'Supporting Pupils with Medical Conditions'.

All medicine, needing to be administered by the school, should be **brought to the office by an adult** where 'Medicines to be Administered' forms should be completed. Please **do not** send any medicine (including inhalers/cough sweets/eye drops) in to school with your child.

With regard to allergy medicine, we are happy to hold medicine for emergency purposes in the school office

## Secondary Transfer - Year 6

We have sent information home this week regarding the 2018 Secondary Transfer.

Parents are able to make applications online or by a paper SCAF which can be downloaded from the Kent Admissions Website.

**Tonbridge Invicta Football Club**

Tonbridge Invicta Club are looking at ways to expand their club activities and support the local community further. With this in mind they intend to start offering dedicated girls football and build on their "football for the whole community" ethos.

Initially the girls football will consist of informal training and friendly matches against other local girls teams but it is their intention to grow female football across all our junior age groups. If you have a daughter who may be interested or know any other potential players please email [nickstillwell@me.com](mailto:nickstillwell@me.com) or call 07973 833935 for more information.
