## Project Based Learning

Our Spring Projects are now in full swing.

This term, our essential questions are:

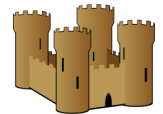

Reception: What is above us?

Year 1 and 2: What makes a castle a castle?

Year 3 and 4: How can we, as app developers, design, create and market an app.

Year 5 and 6: What is the size of your footprint?

We look forward to sharing our learning with you towards the end of the term.

## SAVE THE DATE!

### PTA Race Night

Friday 23rd February - 7.30pm - 10.00pm

More details to follow.....

## Clubs

Participating in a club provides an opportunity for children to learn the value of commitment.

To help with this, we expect the children to attend all sessions. Exceptions are illness during the school day, absence from school or a medical appointment. It is not acceptable for children to decide one week that they do not feel like attending.

If your child no longer wishes to attend a club staff should be informed as soon as possible.
