Harvest

The charity we chose for Harvest this year was 'Porchlight', a homeless charity based in Kent.

The children raided their money boxes and donated their pocket money, raising a grand total of £129.32.

Well done everyone.

Maths Calculation Policy

In response to parent feedback and inline with our Singapore maths approach, we have uploaded our new calculation policy that helps to guide you through the various methods for calculations being taught across the school. If you would like to take a closer look please follow the link below.
