Taking part in a club is a wonderful opportunity for children to develop their knowledge and skills, as well as their confidence, self-esteem and teamwork. Participating in a club also provides an opportunity for children to learn the value of **commitment**, even when they are finding things hard. To help with this, we expect the following:

- **Children to attend all sessions, each term.** Exceptions are illness during the school day, absence from school or a medical/dental appointment. It is not acceptable for children to decide one week that they do not feel like attending.
- **A letter to be given to the club leader if a child will be absent** due to a medical/dental appointment - the school will know when a child is absent because of illness.
